

Name: \_\_\_\_\_ Episode:8 Topic: Conjunctions

**Question:** What's the most popular social media platform?

Extra points if you can also give how many people use the platform.

**Answer:**

**Directions:** Underline any **maroon words** that appear in the episode. These are keywords and concepts.

The conjunction is a part of a speech that joins words, phrases, or clauses together.

In a way, you can think of conjunctions as the glue in sentences.

**Common conjunctions:** for, and, nor, but, or, yet, so

**Example:** This cup of tea is delicious and very soothing.

**Example:** Homer always wanted to join the play, but he didn't have the guts to try out.

**Directions:** Underline the conjunction(s) in each sentence.

**Example:** Bonnie Mckee is a very successful singer and songwriter.

**Example:** Many people think the dinosaurs were killed by a meteor, but I think they were killed by an army of mythical creatures.

**Example:** I need to get out of this quarantine, so I can see you.
