Question: What was Vlad the Impaler's favorite activity?

Answer:

Directions: Underline any **maroon words** that appear in the video. These are keywords and concepts.

Verb: This is the most important part of a speech, for, without a verb, a sentence would not exist.

As defined, a verb shows an action (physical or mental) or state of being of the subject in a sentence.

Action Verbs:

- Run
- Hide
- Jump
- Fight
- Swim

Remember: Verbs also represent a state of being.

State of Being Examples:

- Is
- Are
- Am
- Was
- Were

Note: Verbs almost always come after the noun or pronoun in a sentence.

Example: As usual, the Stormtroopers missed their shot.

Example: They are always prepared in emergencies.
